

We are in the final stretch of the semester! As you prepare to finalize your academic commitments and responsibilities and prepare for exams, please take some time to review your Degree Works to make sure everything is lined up and accurate. If there are discrepancies, please bring it to our attention as soon as possible so it can be reviewed and necessary updates made. This is very important for Spring 2018 grad candidates!!

Time certainly moves fast when you're learning and having fun! I encourage you to press on and finish strong! Focus on the end goal and prepare well for your upcoming exams. Soon you will be able to exhale.
